Plant-Wide Process Management Network<sup>™</sup>

Your bank account is online...  
**Why isn't your shop floor?**

**YOU CAN'T AFFORD TO WAIT UNTIL  
NEXT SHIFT OR NEXT WEEK:  
MAKE THE RIGHT DECISION NOW!**

- A **common readout** for virtually every manufacturer's machines
- See **info specific to your role** - whether you're an operator or a CEO
- **Capture & Analyze Q.A. data** for your entire plant
- **Traceability** - part identification and tracking
- Automatically **back-up and protect** all your process data

BÜHLER, FRECH, IDRA, ITALPRESSE, PRINCE, TOSHIBA, UBE and more...

**FOR AS LITTLE AS \$6295 PER MACHINE**

#### **INFORMED SUPERVISORS = BIGGER PROFITS:**

- At-a-glance machine status
- Downtime and shift reports for all your machines
- Trend Charts and Statistical Analysis
- Shot-by-shot comparison
- Alarms and Warnings

#### **ARCHIVING & ANALYSIS:**

- Store consistent data from ALL your machines regardless of manufacturer
- Access, compare, and analyze historical data for QA and business analysis
- See QA metrics for every part you've ever sold
- Meet your customer's requirements for part traceability

call **800.252.8725** or visit **www.Visi-Trak.com**
